CHAW’s space use centers on the same mission that drives us in our classes, workshops, and events: Building community through the arts. We strive to make our space as accessible as possible to as many people as possible, including individuals and organizations seeking affordable space in the District. CHAW’s Black Box Theater, Dance Studio and Art Studio are currently available for rental for performances, rehearsals, classes, workshops, and more.

Restrictions: City zoning regulations limit CHAW to activities that incorporate an arts component. **CHAW cannot host events on Sundays OR after 10pm on any day.**

If you are interested in holding an event at CHAW, please take 3 or 4 minutes to fill out the Space Inquiry form and Danny Cackley (Facilities Coordinator) will contact you to discuss your request and schedule an on-site visit (if necessary). **Requests must be submitted at least two weeks before the date of your proposed event.** We will do our best to contact you within three business days to ensure that we have all the info we need to help you find the right space for your program. If you look at the rental rates below and aren’t sure where you fall—or you have special circumstances you’d like to discuss—please do get in touch (**danny@chaw.org**). We look forward to working with you!

There is a 3-hour minimum for all rentals.
